

Interim Report of the President of WMA

188th WMA Council Session

7-9 April 2011

Sydney, Australia

Dear Chair, Council members, Ladies and Gentlemen,

I am very pleased to be with you all at the 188th. WMA Council Meeting in this lovely city of Sydney. We are all aware that the world today is facing with several disasters both in Natural and man-made. For the natural disasters that occurred in Christchurch, Yunnan, or the natural dj ET Q 0.06000000

On November 11-13, 2010, I visited Taiwan to join the auspicious ceremony of the Doctor's day and gave a talk on "Doctor's Pride and Responsibility" and also delivered
