On 10 and $11^{\mbox{th}}$ of November 2016, in

The 2GCOH resulted in the historic signature on the <u>Memorandum of Fukuoka</u> by WVA, WMA, JMA and JMVA. The 4 associations agreed to move from the validation and

ion

stage:

- i. Physicians and veterinarians shall promote the exchange of information aimed at preventing zoonotic diseases and strengthening cooperative relationships, as well as to undertake further collaboration and cooperation aimed at creating a system for zoonosis research.
- ii. Physicians and veterinarians shall strengthen their cooperative relationships to ensure the responsible use of important antimicrobials in human and animal healthcare.
- iii. Physicians and veterinarians shall support activities for developing and improving human and veterinary medical education, including understanding the One Health concept and approach to One Health challenges.
- iv. Physicians and veterinarians shall promote mutual exchange and strengthen their
