

Valedictory Speech  
WMA Genera

Nicaragua and Egypt speak out against oppression and threats against physicians in their countries.

These are but a few of the many examples of NMAs advocating for their members and for their patients. In all of these situations, the WMA was right there with these NMAs and physicians supporting them in their struggle to protect physicians and deliver high quality care to their patients. ~~That is leadership ... and that shows the importance of our professional~~  
or

We have a responsibility as a profession to engage in scientific sessions

give WMA leadership as we represent the organization. Thank
